FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Terrance M. O'Reilly, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was approved by the Director, Vermont Service Center, who certified the decision to the Associate Commissioner for Examinations for review. The decision of the director will be affirmed.

The petitioner is a landscape service contractor. It seeks to employ the beneficiaries as landscape laborers for approximately 8 and one-half months. The certifying officer of the Department of Labor declined to issue a labor certification because the petitioner has a permanent need for these laborers.

The regulation at 8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made.

The regulation at 8 C.F.R. 214.2(h)(6)(iv)(E) states that a petition not accompanied by a temporary labor certification must be accompanied by countervailing evidence from the petitioner that addresses the reasons why the Secretary of Labor could not grant a labor certification.

The director determined that the petitioner had submitted sufficient countervailing evidence that the offered positions were seasonal and temporary in nature.

After review of the evidence contained in the record, the decision of the director is found to be correct.

ORDER: The decision of the director is affirmed. The visa petition is approved.
